ORDER CONDITIONS

Prices: Prices are subject to change without notice. **No prices are guaranteed;** all shipments will be made at prices prevailing at the time of receipt of order.

Terms: Net 30 days. Past due accounts may be subject to a shipping hold.

Acceptance: We reserve the right to decline an order, in whole or part, when the type or quantity of goods or creditworthiness of the purchaser is not satisfactory.

FOB Shipping Point: Buyer assumes ownership and responsibility for the goods at the seller's shipping location, typically the seller's loading dock or warehouse.

Delivery: All shipments are Ex Works* Factory New Braunfels, Texas. Freight allowance (ground service only) will be based on **individual shipments of \$12,000 or more in product in the contiguous U.S. and Canada (\$20,000 for international orders).** **Fees, taxes, and shipping costs do not count toward freight allowance.**

***Ex Works:** It is the buyer's responsibility to get Detex products from the Detex factory to the buyer's warehouse. The buyer can appoint a shipping and freight-forwarding company to collect goods from the Detex factory and transport them to the buyer's warehouse, including insurance of goods.

Credit Card Payments:

Effective May 1, 2023

A fee of 3% will be applied when using credit cards for payment.

Returned Goods: Materials may be returned for credit within **six (6) months** of purchase with approval from Detex. No goods will be accepted for return unless a **Return Materials Authorization** has been issued. Contact your local representative or factory with requests. **Returns must be unopened and in original packaging.** Credit will be issued at price paid or current price, whichever is lower, less a minimum 30% restocking charge. **Obsolete, discontinued or special products are not returnable.**

Special Order Items: Detex Custom Engineered EasyKits, products made for a specific customer requirement and other specialized one-of-a-kind products are **non-returnable** and **non-cancelable**, and may require a prepayment of 50%. Exit devices can be pre-cut at factory for \$140.

Cancellation & Changes: If orders have been entered for manufacturing, cancellations cannot be accepted without our permission and may be subject to a cancellation charge.

Corrections: We expressly reserve the right to correct clerical, stenographic and other obvious errors at any time.

Effective 10/31/2024, EasyKits are now configurable. The part number associated with each EasyKit is what will be used to order.

Detex can create a more custom EasyKit for a specific application. Just contact your local sales representative or email your request to marketing@detex.com

WARRANTIES

DETEX LIMITED WARRANTY

The Detex product you have purchased is warranted to be free of defects in material and workmanship when properly applied, installed, used and maintained according to Detex installation instructions and maintenance manual. We will guarantee mechanical and electrical components and repair or replace any part that, upon our examination, proves to be defective under normal use and has failed to properly operate as designed. This does not apply to batteries or damage from leaking batteries.

STANDARD WARRANTY PERIOD: 10 years mechanical, 3 years electrical from date of purchase

EXCEPTIONS TO STANDARD WARRANTY PERIOD:

- 3 years mechanical, 1 year electrical on AO19 Low Energy Operators, EAX Exit Alarms, BE Battery Eliminator, Series 800 Power Supplies and Controllers, DTX Access Control and MS Magnetic Switches
- 3 years mechanical on VRA 2-point vertical rods, 90KR and 90 mullions

This warranty will be honored only upon presentation of proof that the product covered thereby was purchased directly from an authorized Detex Distributor. WE SHALL NOT BE LIABLE FOR ANY DIRECT, INCIDENTAL OR CONSEQUENTIAL LOSS OR DAMAGE ARISING OUT OF THE FAILURE OF THIS DEVICE.

NOT UNDER WARRANTY FOR WEATHERIZED AND NON-WEATHERIZED DOOR HARDWARE PRODUCTS

Specifically excluded and not covered under this warranty are (1) the effects of corrosion, erosion and normal wear and tear, (2) cosmetic damage to exit device finishes, including scratches, dents, chips and other similar damage, unless such damage results from defects in materials and workmanship, and (3) exposure to extreme climate changes or harsh chemicals.

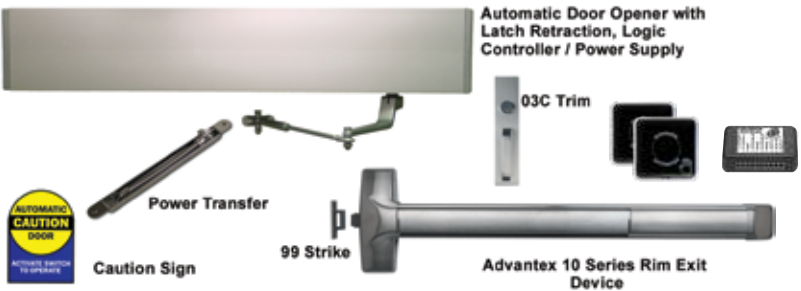

The service life and appearance of finishes of most Detex products can be degraded if the product is used in certain environments that are subject to extreme climate changes or exposure to the presence of harsh chemicals. The conscientious performance of a comprehensive maintenance program on a regular basis will help to maximize the service life and preserve the appearance of the product. Information about recommended maintenance procedures can be found at
